INTERNSHIP PROGRAM (3 European credits):

- ✓ a 4-week placement, in July, on a farm, or within an agri-related business (examples: vineyard, cattle farm, cheese making farm)
- ✓ usually immersion within a family, English speaking or not, also interested in the cultural exchange ; activities together or free at week-ends
- ✓ take part in the everyday tasks on the farm, hands-on experience according to knowledge & experience

(follows the on-campus program, cannot be taken on its own)

Program cost

- ✓ See home institution for total cost (program fee + tuition fee etc.). Purpan Program fee is **2575 EUROS** (whether internship **or not**)

- ☛ **Includes:** Lodging*, Board*, Local Transport, Insurance**, Other expenses (like some cultural excursions and organized outings, field trips, academic materials, organization of the internship ...) during the on-campus program

**during on-campus: student Housing with French & American students, Lunch meals at the student restaurant + stipend for other meals (cook your own meals, kitchen shared by up to 7 students); single occupancy room (desk, bathroom, shelves, closet, bed); walk to classes.*

***AVI International (Premium option) provides coverage for the following risks:*

- ↳ *medical costs and hospitalization,*
- ↳ *personal civil liability (damage caused to third-party, material or physical)*
- ↳ *work accident during the internship on the farm*
- ↳ *repatriation to the home country*

This is compulsory in France.

Last advantage of AVI is that it covers your students in France and in other European Union countries, since some outings could occur out of France. Moreover, it is very important for the internship, since it will offer the work accident coverage that home insurances usually do not provide.
